

Synod of the Northeast

Campus Ministries Grant Criteria Checklist

Grants will be awarded to support ongoing campus ministry programs or specific projects within a program's ministry. Awards are based on individual requests up to the grant maximum of \$2,500 per year with the following requirements: Grants are to be used for the implementation of the identified program or project. If additional funds remain after all awards have been determined at the late January/early February Synod Commission meeting, applicants will be notified of the opportunity to request additional funds.

Grant Maximum = \$2,500 per year*

The program or project this application describes:

- Is located within the geographical bounds of the Synod of the Northeast.
- Engages students in deep and meaningful encounters with Christian spirituality.
- Develops students as leaders on campus, in their community, and/or in their congregation.
- Partners with local Presbyterian congregations or other Presbyterian entities.

Exemplifies the Synod's values:

- Community - creates a network of support and challenge for students.
- Diversity & Inclusion - reaches across divides to engage a diversity of students.
- Missional Identity - focuses on service to the broader campus and community.

Budget Criteria

This Campus Ministry Grant application's budget/financials provide:

- A clear explanation of the financial components of the project/ministry.
- A snapshot of the funding sources for the project/ministry.
- A description of how Synod funds will be used to support the project/ministry.
