## Solo Pastor | First Presbyterian Church of Marshfield WI

### Description

Synod: Lakes and Prairies

Presbytery: Winnebago

First Presbyterian Church of Marshfield Wisconsin is a medium size congregation in a small city, currently looking for a solo pastor. We are considered one of the more progressive churches in a region of mixed political and socioeconomic communities. We have a major medical center which brings in people with a diverse range of backgrounds, while we are also surrounded by farms, many of which have been in the family for generations. We were early participants in the Covenant Network, and later More Light Presbyterians, and are an Earth Care certified congregation. We have prioritized welcome for all people regardless of circumstance or station in life and are committed to service to the larger community and our world. We have a diverse and active group of lay leaders, and we welcome Pastor applicants who are inspired by Matthew 25 and a church which seeks to serve others.
